Scanora — Official User Manual

Privacy-First AI Document Scanner, Cryptographic PDF Security Vault & 100% Offline Document Assistant for Android

Version 1.0.0 | APK Size: 20.1 MB | 100% Offline AI & OCR | AES-128 PDF Lock | Google Drive Auto-Restore

1. Quick Installation Guide (Android APK)

> **File to Download:** Download `Scanora-v1.0.0.apk` (or `Scanora-Release.apk`) from this Google Drive folder onto your Android smartphone (Android 5.0+).

Step	Action to Perform on Your Phone
Step 1: Open APK	Tap the downloaded `Scanora-v1.0.0.apk` file from your notifications or File Manager.
Step 2: Allow Source	If prompted with "*Install unknown apps*", tap **Settings** → enable **Allow from this source** → press Back.
Step 3: Install & Open	Tap **Install**. If Google Play Protect shows a prompt for an independent APK, tap **More details** → **Install anyway**, then tap **Open**.

2. Core Features & Step-by-Step Usage

📷 A. Scanning & 1-Tap Batch Filters

1. Tap **Scan Document** (for auto-edge camera capture) or **Import Images** (from gallery).
2. Use the bottom toolbar to **Crop**, **Rotate**, or **Add Pages**.
3. Choose from 4 live filters: **Original**, **Enhance**, **Grayscale**, or **B&W**.
4. **Batch Filter:** Check **"Apply filter to all N pages"** or tap the **Apply to all** pill to enhance every page in 1 tap!

🔐 B. Password Lock & Anti-Fraud Watermark

1. Tap **Save PDF** in the top-right corner of the Review screen.
2. **Anti-Fraud Watermark:** Toggle ON to stamp diagonal text (`FOR KYC ONLY`, `CONFIDENTIAL`, `DO NOT COPY`, or custom text) across every page.
3. **Lock with Password:** Toggle ON and enter a password to encrypt the PDF with **AES-128** (stays locked on WhatsApp & Email).

☁️ C. Google Drive Backup & Auto-Restore

1. Open the **Settings** tab and tap **Continue with Google**.
2. If Google shows an unverified app screen on first login, tap **Advanced → Go to Scanora (unsafe) → Check the Google Drive box → Continue**.
3. Your profile photo and sync progress bar will appear. All scans back up to `"Scanora Documents"` in your personal Drive.
4. **Reinstall Recovery:** Even if you uninstall and reinstall the app later, signing in automatically restores all your PDFs and folders!

🧠 D. Offline AI Chat & Biometric Vault

1. Open the **AI Chat** tab, attach any PDF, and tap **Summarize**, **Action Items**, or ask any question—**100% offline**!
2. Tap any **Page Citation** pill below the answer to jump straight to that page in the PDF.
3. In **Folders** or **Settings**, enable **Biometric Vault Lock** to protect sensitive IDs and folders with your Fingerprint or Face ID.

> 🔒 **Privacy & Multi-Account Guarantee:** Scanora processes OCR and AI completely on your device. When Google Drive Backup is enabled, files are stored strictly inside your own Google Account's Drive and isolated per email address (`ownerEmail`)—no other user can ever access your documents.
